Effective Date: 04-03-2025

Welcome to Hamilton Health. These Terms of Service ("Terms") govern your use of our website and telehealth services. By accessing our website or scheduling a consultation, you agree to be bound by these Terms and our Privacy Policy.

1. Telehealth Services Hamilton Health has licensed providers in all 50 states including the District of Columbia but is not currently practicing in Mississippi or New Jersey. Our team consists of licensed Nurse Practitioners who deliver care via secure, HIPAA-compliant platforms. Services may include evaluation, diagnosis, and treatment of non-emergent medical conditions.

2. Prescription Policy Medications are only prescribed when medically necessary and appropriate following a telehealth evaluation by a licensed provider. Hamilton Health does not dispense medications or guarantee that a prescription will be issued. All treatment decisions are based solely on clinical judgment.

Prescriptions may be sent to the patient's chosen pharmacy or to a licensed pharmacy partner. We do not permit medication selection or ordering prior to consultation.

3. Scope of Practice Our providers operate under the laws and scope-of-practice regulations of the states in which they are licensed. Services provided may vary depending on state-specific requirements.
